ALLEY**

Agenda

10:00

Arrivals

All guests are requested to arrive between 10 to 10:30AM

10:30

Welcome Address

An overview to the day of inspiration, innovations & insights

10:45

Beyond Imagination

Shocking Global Trends that will change everything!

11:15

Ethical Boundaries in AI

Fireside Chat with a Global leader in the forefront of implementing AI & Deep Tech

11:45 to 1PM

Deep Tech Innovation Alley

Touch, Feel & Experience Deep Tech Innovations

11:45 to 1PM

Deep Tech Innovation Alley

Touch, Feel & Experience Deep Tech Innovations

Generative AI:

AI's transformative power
in sectors like Finance, Legal,
Pharma & Manufacturing

Digital Twins:

Revolutionize planning
and operations in sectors
like Auto & Real Estate

Computer Vision & LIDAR Robotics:
Interact with advanced robotics that
are redefining precision & efficiency

Sustainability Tech:
Achieve Net Zero & ESG goals -
measure, report, decarbonize & offset

AI in Finance:

Enhance predictive capabilities
by leveraging internal & external
data in core functions

Smart Screens for Skin
Analysis & eCommerce:
Experience convergence of
health tech & retail

Augmented Reality & NLP:
Experience a cost effective &
sustainable way for quality
inspection & maintenance

Computer Vision:
Analyze market trends &
ensure health & safety standards,
using 90% less compute power

& Many More

14:00

Innovation's hidden power: Culture

The masterkey to building sustained competitive advantage

14:30

Launch – Coffee Table Book

A CEO's strategic playbook for leading the Change

14:45

ZCT – Sustainability

A unique way to Green Financing & fighting climate change with Deep Tech Innovation

15:00
